Добро пожаловать на Центральный портал МПБ

Механизм посредничества по биобезопасности (МПБ) представляет собой механизм, учрежденный Картахенским протоколом по биобезопасности с целью содействия обмену информацией о живых измененных организмах (ЖИО) и оказания помощи Сторонам в соблюдении, наилучшим образом, обязательств в рамках Протокола. Глобальный доступ к различной научной, технической, природоохранной, правовой информации и данным по созданию потенциала предоставляется на всех 6 языках ООН.

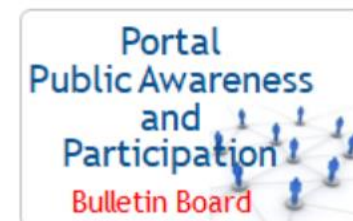

Владельцы учетных записей МПБ могут создавать записи и управлять ими в МПБ, выполнив вход в разделе [Центр управления \(Регистрация информации\)](#).

Types of information

The screenshot shows the Biosafety Clearing-House website. The main heading is 'Finding Information'. Below it, there are several sections: 'National Contacts', 'Laws and Regulations', 'Country's Decisions and other Communications', 'Roster of Experts', 'Capacity-Building', 'Biosafety Information Resource Centre (BIRC)', 'Scientific Bibliographic Database', and 'Organizations'. There is also a 'Compiled Information' section with sub-sections: 'National Contacts', 'LMO Registry', 'Organism Registry', and 'Gene Registry'. At the bottom left, there is a 'Go to record ID' field with a 'Go' button. The 'Reference Records' section is also visible, with sub-sections: 'LMOs, Genes or Organisms', 'Capacity-Building', 'Directory of International Organizations involved in Biosafety Activities', and 'Biosafety Information Resource Centre'. Arrows from the text on the right point to the 'National Records' and 'Reference Records' sections in the screenshot.

National Records

submitted by Governments as mandated by Article 20 of the Protocol.

Reference Records

submitted by general BCH registered users.

Types of information available

- National Records:
 - National Contacts
 - Laws & Regulations
 - Country's Decisions & other Communications
 - Roster of Experts
- Reference Records
 - LMOs, Genes or Organisms
 - Capacity-Building
 - International Organizations involved in Biosafety Activities
 - Biosafety Information Resource Centre (BIRC)
 - Scientific Bibliographic Database on Biosafety

DEMONSTRATION

BCH Finding Information, available training resources

- BCH training curricula (in BCH training materials)
- Manual MO02: Introduction to the BCH (in BCH training materials)
- Manual MO03: Surfing the BCH Central Portal (in BCH training materials)
- Manual MO04: Finding Information in the BCH Central Portal,
- Manual MO11: Using the BCH for Customs and Border Control tasks,
- Interactive Module 2 (in BCH training materials)
- BCH-II Project Webinars on “Applying the Cartagena Protocol in the Industry with the help of the BCH – 3 PARTS available at http://bch.cbd.int/help/UNEPGEFBCHII_material.shtml
- Case studies (in BCH training materials)
